Commissioner for Patents

Receipt of the Application Data Sheet supplying a complete mailing address for Thomas Kling is acknowledged.

Also, receipt of the 2/15/2005 request to print assignee data on the patent is acknowledged. However, the assignment was submitted for recording after the payment of the issue fee. As a result, the assignee data may be printed only upon filing of a petition under 37 CFR 3.81. See MPEP 307. Such petition, if desired, must be filed immediately to avoid printing of the patent without the assignee data printed thereon.
